

**New national side of euro coins intended for circulation**

(2023/C 262/05)

*National side of the new commemorative 2-euro coin intended for circulation and issued by Greece*

Euro coins intended for circulation have legal tender status throughout the euro area. For the purpose of informing the public and all parties who handle the coins, the Commission publishes a description of the designs of all new coins <sup>(1)</sup>. In accordance with the Council conclusions of 10 February 2009 <sup>(2)</sup>, euro-area Member States and countries that have concluded a monetary agreement with the European Union providing for the issuing of euro coins are allowed to issue commemorative euro coins intended for circulation, provided that certain conditions are met, particularly that only the 2-euro denomination is used. These coins have the same technical characteristics as other 2-euro coins, but their national face features a commemorative design that is highly symbolic in national or European terms.

**Issuing country:** Greece

**Subject of commemoration:** 100 years from the birth of Maria Callas

**Description of the design:** The design features a portrait of the legendary Greek soprano Maria Callas. Inscribed along the inner edge is the wording '100 YEARS FROM THE BIRTH OF MARIA CALLAS', and at the right the minting year '2023' and a palmette (mintmark of the Greek Mint); below the portrait runs the inscription 'HELLENIC REPUBLIC'.

The coin's outer ring depicts the 12 stars of the European flag.

**Estimated number of coins to be issued:** 750 000

**Date of issue:** July 2023
