

Public investments and fiscal rules in Slovenia through time (2010 – 2020)

Franci Klužer, Ministry of Finance. The Republic of Slovenia

Challenges of fiscal policy

European Commission

15th meeting of the Network of Public Finance Economists

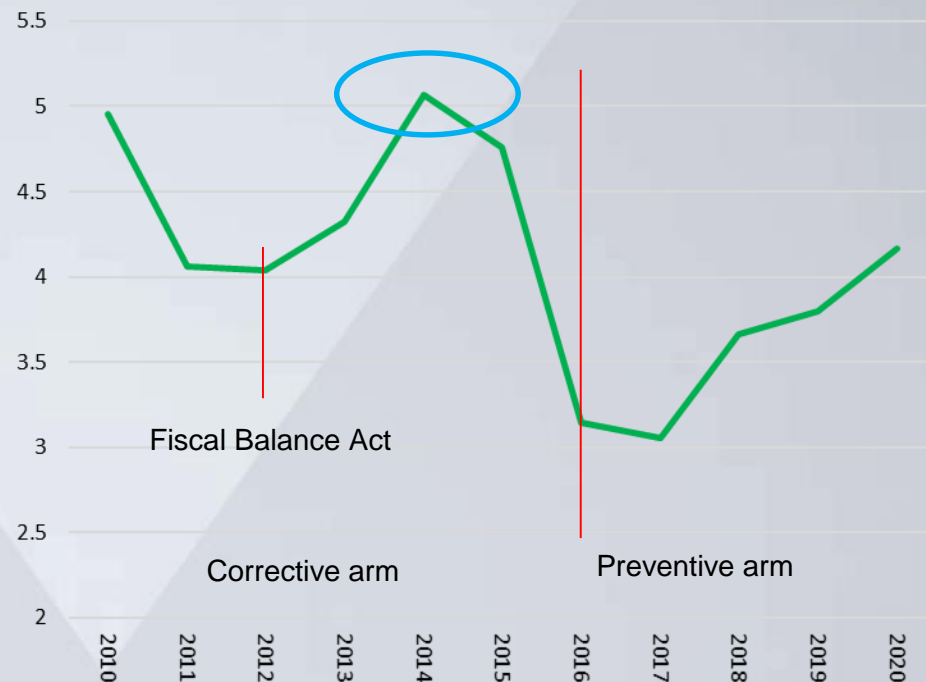

in public administration by DG ECFIN, 23 March 2022

investments in period 2010 – 2020 (Source: SORS, MF)

Gross fixed capital formation in % of GDP

General Government Gross fixed capital formation in % of GDP

	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020
Net lending in % of GDP	-5.6	-6.6	-4	-14.6	-5.5	-2.8	-1.9	-0.1	0.7	0.4	-7.7

Public investments and fiscal rules

Safeguard investments (structure of public finance)

Challenges:

- EU funds versus economic cycle.
- Limiting growth of other public expenditures after the crisis (despite public expectation).
- Additional investment needs (green, digital, social infrastructure,...).

Thank you for your attention.
